Summary

Hello, I'm Shaswata. At 17, I am a high school graduate with a strong passion for finance and business. With over two years of dedicated experience in trading, I've sharpened my skills in technical analysis, market psychology, and various financial concepts. Alongside preparing for the CA foundation exams, I'm also pursuing a B.Com degree at BESC while continuing to explore trading opportunities. Recently, I contributed as a content editor for the EICASA team in preparation for the 49th regional conference.
