## Summary

Hello, I'm Shaswata. Currently, I am a high school graduate, and at the age of 17, I have a keen interest in learning about the finance and business fields. I have acquired over 500 days of experience in trading, possessing knowledge in technical analysis, market emotions, and some financial concepts. I'm currently preparing for the CA foundation exams while also exploring trading alongside my studies. Additionally, I have a basic understanding of various business industries.
